

Wells Landing Notes October 2023

Just wanted to share a couple of items prior to the Annual meeting:

1. One of the documents in the Annual package mailed out last month included an erroneous date.

Just to clarify... The Annual meeting is scheduled for 11am Saturday, November 18th at the pool.

The “rain date” if necessary is Saturday, December 9th.

2. An amended Annual HOA Meeting agenda is attached. NO items have been deleted. Additional items of New Business / Interest are listed with a dash “-” in front of the item.
3. Please make it a point to either attend in person (preferable) or give your proxy to a neighbor who is attending.

Thank you.

For the board,

Jeff Berk
